RECTORATE HALL, YOGYAKARTA STATE UNIVERSITY, INDONESIA

wonderful jogja

GRADUATE SCHOOL
YOGYAKARTA STATE UNIVERSITY INDONESIA
in collaboration with
FACULTY OF EDUCATION
UNIVERSITY OF AUCKLAND

BACKGROUND

In the modern era, there are fast and paradoxical changes in human life. These changes bring several consequences, including those in education. To respond to the changes, reviewing fundamentals of education and its implementation is a must to improve the quality of education.

Nowadays, the trend of quality and equality in education which are oriented to build social harmony becomes the main concern of many societies.

This conference invites the participants to consider the contribution of education in promoting the quality of life especially in the perspectives of fundamentals and implementation of education which covers the whole range of educational thought, policy and practices, and phenomena in terms of global and local perspectives in education; policy and political perspectives in education; and sociocultural perspectives in education.

OBJECTIVES

The objectives of this conference are:

1. to review fundamentals of education in various perspectives
2. to provide recommendation in strategic policy of education
3. to discuss practical issues in the implementation of education

PARTICIPANTS

Everyone is encouraged to participate in the conference, including:

1. education experts,
2. education observers,
3. policy analysts,
4. education practitioners, and
5. others who are concerned with education in general.
